AGRICULTURAL IMPLEMENT WHOLESALERS

Corker 150

**CORKER** 150

*Using the unlimited power of a tractor's P.T.O. these well known corkscrew splitters will stop at nothing! - Tackling the most difficult pieces of wood and splitting effortlessly! Now with the new safety feeding bar a gentle nudge of the round of the wood into the screw and the job is on the way - Stand back and watch it go!*
